

# 1<sup>st</sup> International Symposium on Personalized Medicine in Oncology

MADRID - 23<sup>rd</sup> February, 2012

The official languages of the Symposium are Spanish and English. Simultaneous translation will be provided.

Under auspices of:

Accreditation to “Consejo Catalán de Formación Continuada de las Profesiones Sanitarias” requested.

To obtain the credits, attendance to the whole course will be needed.

Technical Secretariat: **TACTICS MD**

c/ París 162, pral 1<sup>a</sup> - 08036 Barcelona - Tel.: 93 451 17 24 - info@tacticsmd.net

**Venue:**

Centro Nacional de Investigaciones Oncológicas (CNIO)  
Spanish National Cancer Research Centre  
Auditorium

C/ Melchor Fernández Almagro 3, Madrid  
Telf.: +(34) 91 732 80 00

**Comité Científico:**

Dr. Emiliano Calvo  
Dr. Manuel Hidalgo  
Dr. Fernando López-Ríos

**Director: Dr. Emiliano Calvo,**

Director of Clinical Research, START Madrid, Centro Integral Oncológico Clara Campal (CIOCC), Madrid.  
Director of Cátedra Foundation Lilly/University CEU San Pablo of Personalized Therapies in Oncology.  
President of INTHEOS (Investigational Therapeutics in Oncological Sciences)

An Educational Conference organized by:

With the collaboration of:

# 1<sup>st</sup> International Symposium on Personalized Medicine in Oncology

MADRID - 23<sup>rd</sup> February, 2012

## 09:00h - 09:15h Registration

### Symposium's chair:

**Dr. Emiliano Calvo**, Director of Clinical Research, START Madrid, Centro Integral Oncológico Clara Campal (CIOCC), Madrid.

Director of Cátedra Foundation Lilly/University CEU San Pablo of Personalized Therapies in Oncology.

President of INTHEOS (Investigational Therapeutics in Oncological Sciences)

**Dr. Ignacio Durán**, Director, Departament of Genitourinary Tumors, Centro Integral Oncológico Clara Campal (CIOCC), Hospital de Madrid Norte Sanchinarro, Madrid

## 09:15h - 09:30h Introduction and opening remarks

**Dr. Emiliano Calvo**, Director of Clinical Research, START Madrid, CIOCC

**Dr. José Antonio Gutiérrez**, Director of the Foundation Lilly, Madrid

## 09:30h - 10:05h The clinical application of comprehensive cancer genome sequencing data

**Dr. Luis A. Díaz**, Associate Professor, Oncology. Director of translational medicine at the Ludwig Center for Cancer Genetics and Therapeutics, Johns Hopkins Kimmel Cancer Center, Baltimore, USA

## 10:05h - 10:40h Nonclinical drug sensitivity with human-derived xenografts

**Dr. Manuel Hidalgo**, Director of Clinical Research Program, Centro Nacional de Investigaciones Oncológicas (CNIO), Madrid

## 10:40h - 11:15h The use of pharmacogenomic modeling in personalized oncology

**Dr. Mark Ricigliano**, President of Cell Path Therapeutics, Inc, Baltimore, USA

## 11:15h - 11:45h Coffee Break

## 11:45h - 12:20h Translational application of tumor profile-based medicine in Oncology

**Dr. Fernando López-Ríos**, Department of Pathological Anatomy, CIOCC, Madrid, Spain

## 12:20h - 12:55h The clinical effect of the dual-targeting strategy involving PI3K/Akt/mTOR and RAS/MED/ERK pathways in first-in-human phase I study

**Dr. Toshio Shimizu**, Medical Oncologist and Clinical Investigator, START San Antonio, USA

## 12:55h - 13:30h Personalized Medicine in Pancreatic cancer

**Dr. Ramesh Ramanathan**, Medical Director, Virginia G. Piper Cancer Center (VGPC) Clinical Trials Program at Scottsdale Healthcare, Colorado, USA

## 13:30h - 13:55h Closing Remarks

**Dr. Emiliano Calvo**, Director of Clinical Research, START Madrid
